From the Desk of the Chairman

CA Hardik Vyas,
Chairman,
Rajkot Branch of
WICASA

Dear student friends,

It is the month of August, 2020 and the Covid-19 pandemic seems to be relentless. The spread of the infection is increasing everyday and so is the risk of contracting the same. I would like to request you all to exercise caution in visiting the auditee premises or any other workplace, maintain social distancing and use sanitizers. Having said that, I would also like to inform you all that at the present rate of infection, it may not be possible for us to open branch premises for physical access to students for events and activities.

This is the month where we celebrate Independence Day. I salute the valour of the freedom fighters who laid their lives for our nation and may they keep to inspire us. My good wishes to all of you for the festivals we celebrate this month.

We are planning to even organize a patriotic singing competition, announcements whereof shall be made in due course.

I invite for suggestions and feedback with regard to the events that we have been conducting so far. Also, articles are invited from the students, which shall be published in the forthcoming newsletter. Interested students can share the same at wicasanewsleter@gmail.com

Wishing good health to you all !

Importance & Impact of Moral Science

Moral education is impossible apart from the habitual vision of greatness. It's time for us to go through a short story.....

Once upon a time, there lived a merchant in a village with his wife and two children. They were indeed quite well-off. They had a beautiful hen which laid an egg every day. It was not an ordinary egg, rather, a golden egg. But the man was not satisfied with what he used to get daily. He was a get rich-trice kind of a person.

The man wanted to get all the golden eggs from his hen at one single go. One day he thought hard and at last clicked upon a plan. He decided to kill the hen and get all the eggs together.

The next day when the hen laid a golden egg, the man caught hold of it, took a sharp knife, chopped off its neck and cut its body open. There was nothing but blood all around & no trace of any egg at all. He was highly grieved because now he would not get even one single egg.

His life was going on smoothly with one egg a day but now, he himself made his life miserable. The outcome of his greed was that he started becoming poor day by day and ultimately became a pauper.

Moral: One who desires more, loses all. One should remain satisfied with what one gets.

It might wonder why I mentioned this particular story which portrays a golden moral. Why are moral stories important? Are you aware of the importance of moral stories?

Following are the bullets:

- Makes the child resilient
- Prepares them for the society
- Suppresses bad influence
- Promotes helpful behaviour
- Strengthens child-parent relation

But the sad part is that in the current situation its been so worse that we are losing morality. Kids are deprived by these stories. We all used to enjoy our summer holidays at our Granny house isn't it? We used to listen to her stories. Introduction of sleep used to be with moral stories or fairy tales. The way we used to enjoy during those days has no words to put up. One just phrase in Kannada "Kaanasisuvudo???" (means will I be able to see??) depicts the present scenario.

Children are not ready to face the society in a strong manner, why? They are deprived of these value-added stories; experience talks by elders. Current generation doesn't even spend their leisure's with parents, instead they are completely packed up with number of activities and which is good sign but not to the extent where they are unable to enjoy with their family. Society is losing its morality because the presence of relationship is vanishing day by day. Eruption on the concept of Nuclear family is one of the drawback. We spent our childhood days with a desi touch whereas it's a modern touch to the current generation. We enjoyed outdoors; they enjoy indoors; Pagade is replaced by online Ludo; books are replaced by electronic gadgets. Sense of humanity and value to relationship is restricted only to their rectangular hand stuffed area. Emotions and nurturing are completely online. Traditional stuffs are getting eliminated. Is this the way we need to lead our life??

We have a quote stating **Old is Gold**, which clearly suffices for this scenario. Its an urge from my end, let us lit lamp towards our tradition and its values. Without a reason nothing is created or anything is emerged. If we are alive today, its because of a strong reason. Values are much needed to lead our daily routine.

If you want to go live to experience the change, you be the first visible change.....

Poetry

શુ કામ બહાર જાવું છે ?

બહાર ની હવા દુશ્મન છે,
તે તૈયાર જ બેઠી છે,
બેહસ કરવી છે તેને
તો શું કામ તારે જગડવું છે ?
ઘરના લોકો રાહ જોશે,
શુ કામ બહાર જાવું છે ?
તારી ફરજ એટલે જ કે ઘરે રહે,
શુ કામ તારે સામું થાવું છે ?
તારું બહાર જાવું આંસુ લાવી શકે,
શુ કામ તારે રડવા છે ?
ખબર છે તું મુંજાય ગયો છે ઘરે,
પણ શું કામ તારે મજા બગાડવી છે ?,
જરૂર દેશ સહકાર ની તારા,
શુ કામ તારે ઇનકાર છે ?
મિલન તો થાશે જીવન માં ફરી,
શુ કામ તમારે જ મળવું છે ?
વાતો તો દૂર રહીને પણ થાય જ છેને,
શુ કામ તારે નજીક આવવું છે ?
સહકાર આપવાથી જેલ ટૂંકી થશે,
તો શું કામ વધારવી છે ?,
તારી ચિંતા બીજા કરે છે,
શુ કામ તારે દુઃખી થાવું છે ?
પત્ની અને બાળકો તરસે છે પ્રેમ માટે,
ઘરે રહો શુ કામ ભટવું છે ?
હાથ જોડી વિનંતી કરે છે સાહેબ,
માની જા ને તું હવે, શુ કામ તારે બહાર જાવું છે ?
